

lines. We are already feeling it in our district and I think we need to do everything we can to try to sustain these lines and make them viable wherever possible. I commend Senator Boughn and Senator Hefner and others who are directly affected by this for bringing this to our attention in a timely fashion so that the Legislature can have its input into the process at the appropriate time. PRESIDENT: Record your vote. Have you voted? Record.

ASSISTANT CLERK: 34 ayes, 0 nays, Mr. President.

PRESIDENT: The resolution is adopted. Now, Mr. Clerk, do you have something on 128 and 132?

ASSISTANT CLERK: Yes, Mr. President, they should be appropriately referred to the Executive Board for interim study.

SENATOR KEYES: Yes, I introduced this the other day when I asked for a report upon the revenue of the State of Nebraska. I received one from the Secretary Treasurer. That is all I have to say about it.
